

Writing Competition

Illustrations in search of a story

Former Children's Laureate Chris Riddell has shared some illustrations in search of a story.
Can you create a story to give to these drawings?

Choose one of the images and write a story (or part of a story) which links with the illustration. The judges will be looking for creativity, adventurous word choice and gripping narration.

We've given you some space next to the illustrations to help you get started (in the document on the website), but don't feel you have to start there, or stop where the space finishes. You can always continue writing on a new page or cut out the picture and stick it in a notebook. The possibilities are endless - as are the stories!

Once you have completed your story, check it carefully for spelling and punctuation.

Send your final copy to slt@petworthprimary.co.uk or drop it off at the school office **by 8th February**.

Winning entries from KS1, Years 3-4 and Years 5-6 will be awarded a £5 book voucher.
